

# *Hillel Yeshiva Bar Mitzvah Program*

“Where a first-class education  
is a very Orthodox idea”

*At a Bar Mitzvah, we celebrate a young man's growth. We watch him read from the Torah, share a D'var Torah and rejoice with his friends. What more appropriate setting could there be to have this celebration than the very place where he prays, where he learns Torah with his friends and Rabbis, and where he interacts with his peers? Hillel Yeshiva! We look forward to sharing this tremendous milestone with our Bar Mitzvah boys and their families.*

*In order to facilitate Bar Mitzvah celebrations here in our school, our Board of Education has designed several excellent packages that are sure to cover each parent's needs. The Bar Mitzvah celebration begins at 8:00AM with the morning Tefillah and Aliyah with the Middle School Minyan, in the Midrash. Family members will also have the opportunity to be called up for an Aliyah.*

*The celebration continues in the lunchroom, with a lavish breakfast, with classmates, Rabbis, family, and friends. Music and Rikudim (dancing) follow, with the festivities ending at 10:00 AM. Each Bar Mitzvah celebrant will be presented with a special gift from the Board of Education.*

*For more information please contact Mrs. Violet Galapo at 732-822-8758. To reserve your date and package, call Rabbi Davis or Lillian in the Middle School office at 732-493-9300 ext. 232.*
